A close-up photograph of an olive tree branch. The branch is thick and gnarled, with a light brown, textured bark. It has several smaller, thinner branches extending from it. The leaves are dark green, elongated, and have a silvery underside. Several small, round olives are visible on the branches; some are green and unripe, while one is dark purple and ripe. The background is a plain, light-colored wall.

The image features two artificial fern plants in rustic, galvanized metal pots. The plant on the left is a large, bushy fern with many long, feathery fronds that cascade over the sides of its pot. The plant on the right is a smaller, more upright fern with similar fronds. Both plants are a vibrant green color. The pots are cylindrical and have a weathered, metallic finish. The background is a plain, bright white, which makes the green plants stand out. Overlaid on the image is a pink rectangular box containing the text 'HOT SELLING' in black, uppercase letters. Below this, the words 'ARTIFICIAL' and 'PLANTS' are written in large, light pink, uppercase letters, with 'ARTIFICIAL' on one line and 'PLANTS' on the line below it.
